

## **Service Charge, Tips & Gratuities Policy 2017**

**We add a discretionary 10% service charge to all restaurant bills, as we think our team are great, and they deserve it!**

**We hope you'll agree, but if not, then please just let us know - we'll take it off and you can add what you think is fair. For groups of 8 people or more, we add a mandatory 10% service charge.**

**Unlike many other restaurants, our team receives 100% of the tips.**

**We hope you enjoy your meal,  
Tom and Tom (owners).**
